Are you referring to the storm drains or the sewer connection in his home?

Good morning Ms. Bell,

I hope you had a safe and blessed weekend. I am emailing you this morning to discuss some sewers that are not working around Watts. Specifically, around [10723 Mona Blvd](#). this resident has stated that they have reached out to the city before but nothing has been done. Can we please take a look at this? Thank you so much for you help.

Best,
